Your own character's personality is also the focus of this RPG. When meeting someone for the first time, they might reveal their feelings towards you. Even after being defeated, they might say that they wish to fight you again. All of this will be depicted as a message in the form of sound and images, giving the game a unique appeal. As of November 2014, it was released in English in North America and Europe. On September 16, 2014, GungHo released a portable version of it on the iOS platform. It is the first Romance of the Three Kingdoms game to be released in Japan. Reception On May 3, 2014, Media Create reported that GungHo Online Entertainment shipped more than 15,000 units of the game in Japan, for a total revenue of ¥88,983,000 (about \$905,250). A week after its release, in early June 2014, Romance of the Three Kingdoms: Resurrection of the Dragon sold more than 30,000 units in Japan. On November 25, 2014, it became the best-selling game in the country, selling 48,000 units.
